SECOND SUPPLEMENTAL RESPONSE

Hon. Commissioner of Patents and Trademarks
Washington, D.C. 20231

Dear Commissioner:

18 As second supplemental response to the Examiner, please consider the following:

Supplemental Response and Examiner's Interviews of October 23-24, 2001

20 Your applicant has submitted a Supplemental Response, on October 24, 2001,
21 following interviews with the Examiner. Claims were amended in the Supplemental
22 Response. Your applicant notes that comments regarding Claim Rejection Under 35
23 U.S.C. 102 were not revised to accord with the amendments of the claims. For example,
24 the Examiner will note continued reference, in the Supplemental Response of October 24,
25 2001, to monoammonium orthophosphate. The reference has been changed, in this

Certificate of facsimile filing
